An aerial photograph of a tropical island resort. The island is covered in dense green palm trees and lush vegetation. A long, narrow white sandy beach runs along the edge of the island. On the left side of the beach, there is a row of small, modern villas with green roofs. On the right side, there is a long, narrow pier extending into the turquoise water, with a series of overwater villas built along it. The water is a vibrant blue, and the sky is a clear, light blue with some wispy clouds.
